How will you provide waxing areas for athletes and teams?	
Other information you'd like to include:	

Please list/describe the venue amenities you will provide for the competition weekend for participating athletes, coaches, and volunteers. Please include items such as changing tents, parking access, as well as permanent structures like lodges and bathrooms as appropriate.

--

Race committee and volunteers

Please list the key persons of your race committee at this point in time with a brief description of their key responsibilities for race planning and/or during the competition event. Please be sure to include USBA and/or IBU Officials training levels for all Chiefs/key volunteers as applicable.

What other roles do you need to fill? Do you need support to fill any other critical organizing or referee roles? If so, please list.

US Biathlon suggests 40-50 volunteers daily (minimum) to hold a safe and fair race. Can you meet this threshold? Briefly describe how you plan to recruit volunteers.
